

## SportGrainMax™

What happens when the highest quality wood visual sheet good meets the industry's most durable resilient layer? Maximum performance from SportGrainMax happens. The way gymnasium floors were meant to be used, this highly appealing floor will handle the much more than conventional resilient floors in their category. Supported by a highly dense and 86% recyclable base layer, SportGrainMax delivers time and time again.

- ✓ Bleachers
- ✓ Wheeled Sports
- ✓ Multipurpose sports and activities

# SportGrainMax™

- Consistent force reduction with maximum ball rebound for improved performance.
- Customize the flooring for your sport with our different thickness and color options.
- Mix & match Sport Grain Plus with Sport Grain Max.
